

Cumbria Partnership
NHS Foundation Trust

- Our Trust provides community and mental health services to a population of half a million people.
- We employ around 4000 staff and, every year, a fifth of the population use our services.
- We provide over 60 services from over 200 bases.
- Our services are organised into groups:
 - Children and Families
 - Community
 - Mental Health
 - Specialist

BECOMING A PUBLIC MEMBER

- Involvement varies from receiving a regular newsletter or voting for governors, to attending meetings or even standing for election as a Public Governor.
- Members are eligible to join the NHS Discounts scheme giving free access to companies offering discounts available on the high street.
- **Become a public member and join the thousands of people who have already registered, then encourage your family and friends to do the same.**
- **It is free to join - simply fill in the form on our website - <https://www.cumbriapartnership.nhs.uk/>**
