My idea or suggestions for improvement are as follows:

# UPPER EDEN MEDICAL PRACTICE

Complaints and Compliments Procedure

Health Centre Silver Street Kirkby Stephen CA17 4RB

**17683 71369** 

#### **Complaints and compliments**

We welcome your thoughts on our services, both good and bad! In both cases, we can use your experience to learn and improve how we do things.

We endeavour to provide the best possible service to our patients at all times. However we accept that there may be times when you feel unsatisfied with the level of care that you have received from us.

By learning from these mistakes, we can ensure that we continue to improve the services that we provide.

We also hope there are times when you feel you have received an exceptional service from us and we would like to know about those times too! If we know what we're getting right, then we can try and repeat it more often!

If you have a complaint or a compliment then please let us know.

You can do this by writing, emailing or phoning our Practice Manager at the following address:

Upper Medical Practice, Silver Street, Kirkby Stephen, CA17 4RB.

#### Complaining on behalf of someone else

Please note that the practice must adhere to the rule of medical confidentiality, so if you are complaining on behalf of someone else we will discuss obtaining their consent with you. We cannot provide confidential information without appropriate authority if you are not the patient in question.

## **Our complaints process**

Your formal written / verbal complaint will normally be acknowledged by the Practice Manager, within 3 working days.

We will endeavour to resolve your complaint quickly and amicably. In most cases you can expect to receive a response within 4-6 weeks, however we will endeavour to response well within this time frame..

However, if there will be any delays as a result of further investigation being required, we will always keep you informed throughout the process.

We aim to:

- Find out what happened and what went wrong.
- Say sorry and take responsibility for any things that we may have got wrong.
- Talk to you about ways in which we could do things differently in future.

If you feel it would be beneficial, we can also arrange for you to discuss the matter in more detail with those concerned.

Full details of our complaints process, including a copy of this leaflet, can be found on our website at:: <a href="https://www.upperedenmedicalpractice.co.uk/">https://www.upperedenmedicalpractice.co.uk/</a> <a href="mailto:pages/Complaints">pages/Complaints</a>
